

### Eligibility:

WHPP is excited to offer our Summer Camps for children ages 3-5 years old by June 1, 2024 who are fully potty-trained.

Children who have turned 6 years old but have not yet attended kindergarten are also encouraged to enroll. This program is offered to WHPP families.

### Registration & Waitlist:

Enrollment is on a first come, first served basis. Registration is secured through completion of the registration form and a \$100 per session **non-refundable** deposit. Campers can choose 1, 2, or all 3 weeks. Current WHPP students who have enrollment forms on file will be considered enrolled after completion of the Summer Registration form and payments made in full. New students enrolling in WHPP for the 2024-25 school year will complete enrollment forms provided by the WHPP office. These forms are due by June 1, 2024, to the preschool office. Campers registering after June 1 will be enrolled if space is available.

If camps are full, the registration form will be placed on a waitlist. Payments will be taken at the time of camp placement if a spot becomes available.

### Payment:

Tuition for each session is \$275 for students enrolled in WHPP for the 2023-24 OR 2024-25 school years. Enrollment for 2024-25 school year must be complete and all tuition agreement fees paid.

Enrollment forms and remaining tuition balance are due by June 1, 2024. No tuition adjustments will be made for illness, vacation, inclement weather, or any unforeseen circumstances. See back of brochure for more details.

### Session Details:

The WHPP Summer Camps will include fun and learning through songs, stories, crafts, science, and indoor and outdoor play. Each week will have its own theme designed to encourage curiosity and engagement through exploration of a new topic.

#### **Session 1 (June 3-6): Animals of the Ark**

God told Noah to build an ark so that he, his family, and animals would be safe during a big storm. Campers will spend a fun-filled week learning about the animals that made the trip.

#### **Session 2 (June 17-20): Full STEAM Ahead**

Campers will strengthen their curiosity & creativity muscles as they spend the week having fun with science, engineering, math, and art activities.

#### **Session 3 (June 24-27): Growing & Going**

Our preschool campers will enjoy activities that help them learn about healthy choices. Movement and nutrition are the names of these games.

WHPP will provide a daily snack for campers. Camper lunches must be brought from home Monday-Wednesday. On Thursdays, WHPP will provide a fun lunch and frozen treat. Please pack your child a water bottle labeled with his/her name every day of summer camp.

Camp is offered Monday-Thursday each week from 9:00AM-1:00PM. Drop-off and pick-up will occur at your child's classroom where parents/caregivers will be required to sign the child in and out each day. NOTE there is no camp on Fridays.

### Withdrawal & Refunds:

Two weeks notice will be required for withdrawal from the WHPP Summer Camps. The \$100 registration deposit is **non-refundable**. The tuition balance (\$175 per session) is **non-refundable** unless a camper is withdrawn from a session in writing at least 2 weeks prior to the first day of that camp session.

## Calculation of Summer Tuition:

Session	Theme	Dates	Cost of Session	Registration Deposit
Session 1	Animals of the Ark	June 3-6	\$275	\$100
Session 2	Full STEAM Ahead	June 17-20	\$275	\$100
Session 3	Growing & Going	June 24-27	\$275	\$100
<b>Total for All</b>			<b>\$825</b>	<b>\$300</b>

### Explanation of Summer Deposits & Tuitions:

Cost per session for currently enrolled WHPP students = \$275

Registration Deposit = \$100 **non-refundable** fee due at the time of registration.

This deposit will be credited toward summer session tuition and the balance for all sessions will be due by June 1, 2024. Families registering siblings will be given a 10% discount for 2nd and 3rd siblings. First child is full price.

Session 1: Animals of the Ark - students will spend a fun week learning about God's animals

Session 2: Full STEAM Ahead - students will spend a fun week filled with STEAM activities

Session 3: Growing & Going - students will spend a fun week learning about nutrition & movement
